

2018 **MGA** Eclectic Tournament

Cost - \$95/player

The Tournament is a two-man team event. Trophies and prizes will be awarded to Low Gross Champions, Low Net Champions, Net 2nd and Net 3rd place.

100% of the course handicap for 6300 yards tournament tees will be used for competition.

On Saturday, each player plays his own ball and records his gross score. The team's gross score and net score for each hole will be the lower of the two teammates' scores. **Hole locations will not change between rounds.**

On Sunday, each player continues to play his own ball. The team tries to improve on the low gross and low net scores from Saturday, on a hole by hole basis. The lower of the two gross scores and the two net scores recorded between the first and second round will be posted.

In the event of a tie for Low Gross Champions, the tied teams will have a one hole playoff on hole number 18. The lowest combined (aggregate) gross total will determine the winning team. If it remains tied, the one hole playoff will continue until one team has won the event.

In the event of a tie for Low Net Champions, the tied teams will have a one hole playoff on hole number 18. The lowest combined (aggregate) net total will determine the winning team. If it remains tied, the one hole playoff will continue until one team has won the event.

On Course Contests

There will be 2 closest to the pin contests on 2 holes each day. Saturday's contests will be on holes 4 and 11. Sunday's contests will be on holes 7 and 14.
